Diagnostic report

Failure details - Hard drive check:

Failure ID: QFMUX9-BKFCLX-MFPWW1-608703

Test date: 2025-06-08

Component tested: Hard drive check

IMPORTANT: The test found a problem with your hard drive and it may need to be replaced. If possible, back up your personal files to a flash drive or external hard drive as soon as you can.
